Please read these terms and conditions carefully before completing your registration for the services, so that you fully understand your rights and responsibilities.

Disclosures: These discount programs are NOT health insurance policies and are not intended as a substitute for insurance. The programs do not qualify as a minimum creditable coverage under Massachusetts law or where prohibited by law. The programs only provide for discounts on health services from participating pharmacies, and the range of the discounts will vary depending on the pharmacy and the health services received. The programs do not make payments to pharmacies of health care services. Members are required to pay for all health care services, but will receive a discount from contracted pharmacies. Except in the states of Utah, Washington and California, these are custom-branded programs, provided and administered by Medical Security Card Company, LLC, (MSC), 4911 E. Broadway Boulevard, Tucson, AZ 85711, 1-866-435-7958, www.scriptsave.com and marketed by Kmart².

MSC is not responsible for providing or guaranteeing pharmacy services or for the quality of such services rendered. Participating pharmacies are subject to change without notice and are not available in all areas. The programs' contracts are not protected by any state guaranty fund.²

The Prescription Savings Club is DISCOUNT ONLY - NOT INSURANCE. Using the Prescription Savings Club will not transfer the cost of the prescription to any other insurance, including a member's Medicare Part D true-out-of-pocket (TrOOP). Medicare Part D members choosing to use the Prescription Savings Club while in the Medicare Part D coverage gap, will not have these claims applied to the member's TrOOP.
